

PARENTAL CONSENT FOR TRANSPORTATION BY PRIVATE VEHICLE

I have reviewed the following information and consent to my child, _____, being transported by private vehicle for this purpose, by any of the drivers on the attached list.

Purpose of the Trip(s): Tag Day (Music Booster Fundraiser)

Date(s) of the Trip(s): Saturday, September 10, 2011

Time of Departure: 9:00 a.m.

Time of Return to School: Approximately 10:30a.m. - 12:00 p.m.

Driver of the Vehicle: See attached list of drivers and vehicles.

I understand the school verifies that the driver has a valid driver's license and possesses/maintains vehicle liability insurance in the amount required by District administrative guidelines. In addition, I understand the Board requires the driver to affirm and certify that their vehicle is in proper operating condition, and that a safety belt will be available for each child in the vehicle. I agree to instruct my child to use the safety belt. Further, I understand that the Student Code of Conduct applies while my child is being transported in the private vehicle.
