

Madeira Music Boosters

Fall Butter Braid + Cookie Dough Fundraiser!

Dear Parents and Participants,

I am very excited to share that we've partnered again with Liberty Fundraising to raise funds for our group this year! Please visit www.libertyfrc.com for more information about their amazing products.

1. **PAPER ORDER FORMS:**

- Please make sure your child collects both the address and phone number of each person ordering, or enough information to reach the customer on return of the product. The order forms do not directly ask for the phone number but we find this is helpful information.
- Both order forms and all cash/checks collected should be turned in to your Music Director no later than Friday, October 27.**
- Please put it all together in a manila or other type of envelope so that it stays together (folders are available in each music room). If your child is done selling early feel free to bring them in early. Order forms will be returned to you at product pick up so that you know who to deliver to. (Note – if you have an all-cash collection and would prefer to just place the order online and pay by credit card that is up to you.)

2. **ONLINE ORDERS:** Orders may be placed online for credit card payment.

- Products cannot be shipped by Liberty Fundraising or the school.
- Here is the link to the online store:
<https://store.myfundraisingplace.com/240f0e21-d5ef-424b-bbdf-d190d0179288>
- Student's last names are also included in the back end but do not show up in the website. You can still search by last name to check your online orders.

3. **PRODUCT PICK UP:**

- Order pick up is Monday, November 13 from 4:30-6:30 PM at the High School**
- Parents are responsible for picking up your student's orders at that time.** It is a frozen dough that cannot be allowed to thaw (it rises in the package). If you cannot make the pickup date and time you should make arrangements with a friend to pick up for you.
- You will also receive back your paper order forms and a printout of your online order customers at the time of pickup, along with any incentives earned.
- Plan on DELIVERING the products to your buyers that night** unless you have storage space available in a freezer for the undelivered products.
